8. DIALOGUE BOX HEADER COLOR

The background of dialog box can have any color based on the requirement.

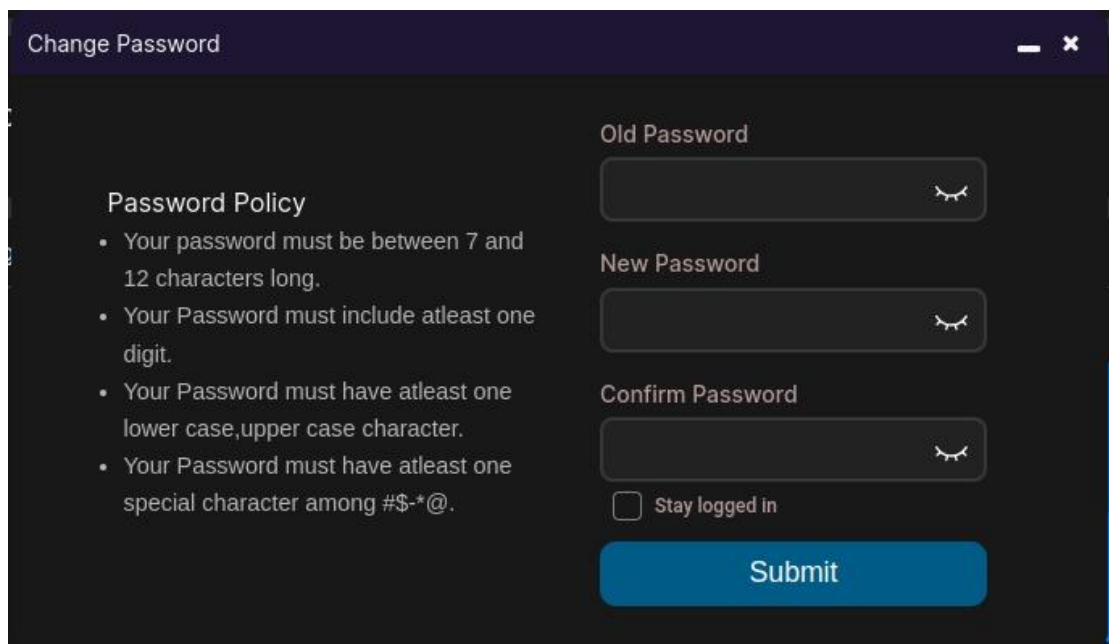

A screenshot of a 'User Profile' dialog box with a dark purple header. The header contains a user icon, the name 'ASHWATHINV', and login details. Below the header is a tabbed interface with 'Account Details' selected. The main content area lists various user details like email, contact number, PAN, address, segments, and products.

User Profile

ASHWATHINV
Login ID : ASHWATHINV
Login Time : 05:33 PM May 10, 2024

Account Details | Bank & DP Details | Api Key | Active Sessions

Email: ashwath@gmail.com
Contact Number: 9648214786
PAN: AAAAAA1111B
Address: f
Segments: CDS, NSE, NFO, MCX, BSE, NIPO, BSTAR, NCX
Products: CAC, Regular, Intraday, MTF, Cover, Bracket, Special1, Special

A screenshot of a 'Change Password' dialog box with a dark purple header. The header contains a minus and close button. The main content area is divided into two sections: 'Password Policy' on the left and password input fields on the right. The policy section lists four requirements for a strong password. The input section includes fields for 'Old Password', 'New Password', and 'Confirm Password', each with a visibility toggle. There is also a 'Stay logged in' checkbox and a 'Submit' button.

Change Password

Password Policy

- Your password must be between 7 and 12 characters long.
- Your Password must include atleast one digit.
- Your Password must have atleast one lower case,upper case character.
- Your Password must have atleast one special character among #,\$-*,@.

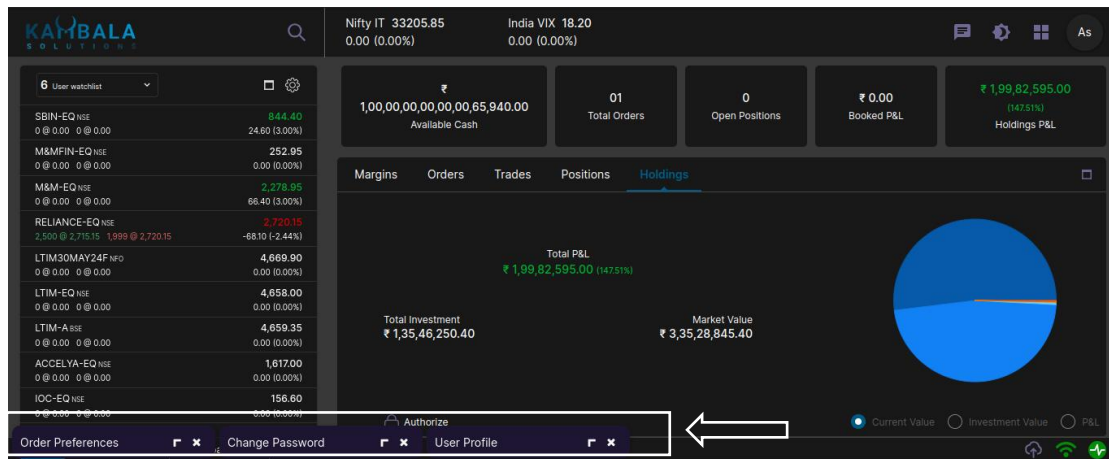

Old Password

New Password

Confirm Password

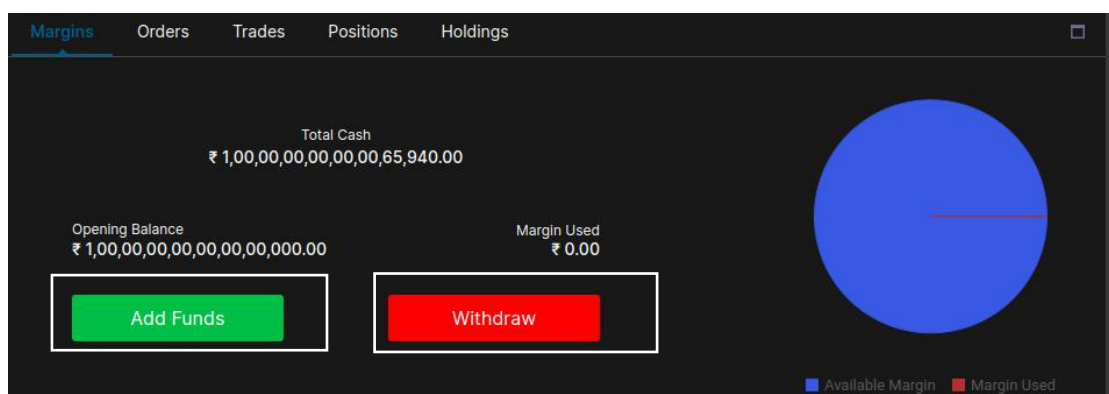

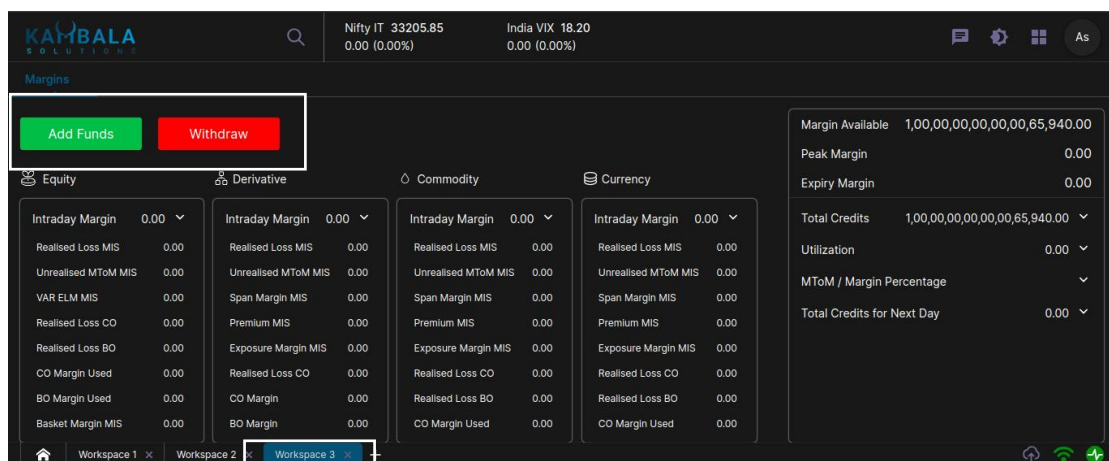

☐ Stay logged in

Submit
